Application for designation of a new OIE Reference Laboratory for rabies

Dear Dr Branescu

I am pleased to advise you that during its recent annual General Session in Paris, the World Assembly of Delegates of the OIE confirmed the designation of the Institute of Diagnosis and Animal Health, Bucharest, as an OIE Reference Laboratory for rabies with Dr Vlad Vuta as the designated expert.

Thank you for your willingness to co-operate with the OIE and its Member Countries, and I look forward to working with Dr Vuta in the future.

With best regards,

Yours sincerely
