Criteria for Partnership between EBSA and IDAH

Partners goals:

hyperlinked graphic or an equivalent way. EBSA will offer a reciprocal arrangement.		
The mission, goals and principles of both Partner Organisations must be clear to each other. These should be preferably be set forth in the official bylaws or charter of each organisation. EBSA, and its partners, have the right to request the charters or official bylaws for review and filing for the purpose of review of the application for establishing the alliance.	Yes	Yes
Partner Organisations remain independent legal entities.	Yes	Yes
Both EBSA and the Partner Organisation remain independent in the management of their organisation. The partnership cannot be construed as a business relationship in which one organisation takes on any responsibility over dealings and commitments made by the other.	Yes	Yes
EBSA and each of its Partner Organisations are represented by one or more persons, one of these being the official liaison person. Partners will communicate each other the name and contact information of their own liaison.	Yes	Yes

Agreement duration and termination:

This agreement will be effective from the date of signature until one of the partners terminates the partnership in writing.

The agreement can be terminated by one of the partners if the rights or obligations are not fulfilled. Likewise, both, EBSA and the Partner Organisation can at any moment, jointly or unilaterally, terminate the partnership.
